

# Art Club with Rose

Dear Parents

Welcome to our thriving Art Club at Horsell Village School!

Your children can take this opportunity and be as artistic as they like without you having to worry about your kitchen table getting covered and your sofas adopting a glittery sheen!!

Our emphasis is on having fun, while developing creativity, confidence and social skills. Each week we make and take home, and across the term, themes are always varied - we've made windmills, butterflies, flowers, monsters and more! The children will always work with mixed media throughout. They are also able to contribute their own suggestions (from this we've made space ships and deep under the sea scenes)

Due to popular demand - there is now a choice of two days for Art Clubs, on Monday or a Wednesday. Please state on your application which day you would like to attend.
