WHAT WE DO

Boogie Pumps offers upbeat, energetic and exciting after schools clubs where your child can learn performing arts in a safe environment, grow in confidence and make new friends. We pride ourselves on celebrating individuality and developing skills whether they are complete beginners or have taken classes before. Each class the students will learn new dance skills and tricks, and learn a routine to their favourite song!

Booking can only be made through our website: <https://woking.boogiepumps.co.uk> Limited availability for 1 WEEK FREE TRIAL! For more information please email our principle moesha@boogiepumps.co.uk
