

Personal, Social and Emotional Development

This half term we will be focusing on 'Being Me in My World'. We will be exploring feelings of our-

selves and others and how we can make school a kind place to be.

We will think about how we play and share with others. We will also be discussing different feelings and how these feelings affect our bodies.

Expressive Arts and Design

This half term we will be ...

- Experimenting and exploring colour mixing, and using different textures in our art work.
- Learning to evaluate and reflect on our work and make changes where necessary.

Understanding the world

This half term we will be exploring our new environments. We will also be finding out what happens in the different areas of school and all the different people who work here. We will be talking about the many different jobs people have and what we might like to do when we are older.

Anyone can be a hero!

Communication and Language

This half term we will be ...

- Listening to a range of stories with increasing recall and attention.
- Following two step instructions.
- Using language to recreate roles and experiences.
- Asking and answering how and why questions.
- Building confidence to share our ideas.

We will ask for help when needed and find out the names of our new friends.

Literacy—Reading and Writing

In phonics we will start by learning about words and how they can be broken down orally. We will also begin to learn the phase 2 sounds from our phonics program, Phonics Bug. We will be learning how to identify these sounds in words as well as blending and segmenting them into CVC words. We will focus on how to hold a pencil using the correct tripod grip and write our letters using pre-cursive formations. We will be rehearsing our skills through reading and writing.

We will practice writing our names.

Physical Development

We will be learning to ...

- Develop our pencil grips and rehearse pre-writing shapes
- Develop scissor control
- Explore the changes that happen to our bodies during PE.
- Learn how to change speed and direction safely when moving.
