

The Horsell Village School NEWSLETTER

Vol .01

Welcome to the 'Start of the year' newsletter, we hope it finds you well.

We have had a wonderful start to the new school year. It has been lovely seeing Year 1 and Year 2 heading back into school and our new Reception children during their morning sessions. The children are settling well into their new classes and routines and are enjoying being together again. There is a real sense of pride in how smart they look in their uniforms and an excitement in the air with what's to come.

Over the Summer we have been busy at school preparing for the new term. You may have notice the new pointing work completed on the Victorian part of the building- its looking great, maintaining the beautiful look of our lovely Victorian building. We have also had new tables and chairs throughout school- providing a new fresh look and level of comfort for our children.

I would like to take this opportunity to welcome the parents of all our new Reception children and any other new parents across The Horsell Village community. For those who are new, I am Mrs Reeve, The Headteacher here at The Horsell Village School. You will often see myself or a member of the leadership team in the mornings on the school gate. Please pop over and say hello.

Mrs Reeve

Mrs Sharkey

Miss Richardson

Mrs Wright

Mrs Shaw

Community plays a significant part in all that we do here at The Horsell Village School. We are all very excited about the coming year and working together to provide our children with the best possible educational experience we can.

Please continue reading to find out all about the start of term.

Best Wishes

Mrs Reeve and the team at The Horsell Village School

Induction Meetings

Induction meetings are a great opportunity for you to meet the Year Group Leader and hear about the year ahead, the learning expectations and how you can support at home.

Each of the Year Group Induction meetings will take place at 9.00am in the school hall. They will last for approximately 30 minutes.

Please do not worry if you cannot attend the Year Group Induction meeting as all of the information will be shared on the Year Group Page on the school website.

School Values & School Motto

As a school we embrace the Values Education Approach. We aim for our values and the core principle of kindness to show through everything that is said and done in our school.

Last year we looked at how we could combine our values and motto together to help our children gain a deeper understanding of the meaning behind each value.

Each half term we will look at a value and explore what it means and the behaviours associated through the three aspects of our school motto

	Respect Care	Co-operation Teamwork	Honesty Truthful	Responsibility Looking after	Appreciation Thankful
Kindness to yourself	I can care for my mind and body	I can share my thoughts and feelings when I work as a team	I can tell the truth.	I can look after myself and my things.	I can be thankful for who I am and what I do
Kindness to others	I can care for others minds and bodies.	I can listen and take turns when I work as a team	I can tell the truth and speak kindly.	I can look after other people's feelings and belongings.	I can be thankful to others for the things that they do.
Kindness to the World	I can care for the World.	When I work with others I can make things better for the World.	I can tell the truth to make the world a better place.	I can look after the World- Reduce, Reuse, Recycle	I can be thankful for the world by looking after it.

This half term we will be focusing on the value of 'Respect'

- Respect to ourselves
- Respect to others
- Respect to property
- Respecting the right that everyone can have their own thoughts, values and opinions.

Jigsaw-The mindful approach to PSHE

This half term we will be exploring the unit

'Being me in my World'.

Each week the children will be exploring set themes to help them establish their sense of self in their new classes and new school. (for some children).

We will be revisiting key parts of our school motto- with a focus on 'Kindness to others' and how we can show this.

Safeguarding and Attendance

Keeping Children Safe

Safeguarding- Keeping children Safe

Here at The Horsell Village School, we are committed to safeguarding and promoting the welfare of children and young people. Safeguarding and keeping children safe is everybody's responsibility. In addition to this we have a named team of Designated Safeguarding Leads and Deputies who are the main point of contact.

If you have any concerns about the safety or welfare of a child please contact a member of the schools Designated Safeguarding team in the first instance through the school office.

In addition to this if you have concerns outside of school you can contact the Children's Single Point of Access on:

Phone: 03004709100- Monday to Friday, 9.00 am to 5.00 pm

Email: cspa@surreycc.gov.uk

Out of Hours Emergency Team: 01483 517898

You can find additional information regarding our safeguarding culture and processes on our school website as well as <https://www.surreycc.gov.uk/children>

Attendance

Being in school everyday is important to your child's well-being, achievement and wider development.

Should your child be ill please complete a 'absence form that can be found on the school website or following link <https://www.horsell-village.surrey.sch.uk/parents/attendance/> Please make sure this is completed before 9.00 am each day.

If you are running late - after 8.50 am you will be asked to come in to sign your child in.

Volunteering at School

If you would like to volunteer to be a parent helper at school you will need to have a school DBS check as well as attend one of our 'Parent Volunteers' briefings before starting to help in school. You can attend one of these meetings whilst awaiting or before applying for your DBS check You can find out about how to apply for a DBS through visiting parent's section of our school website.

Parent volunteer briefings are being held at 9.00 am and 2.30pm on:

- Monday 9th September 2024
- Thursday 19th September 2024
- Friday 27th September 2024

We will be running parent volunteer briefings at the beginning of every half term.

School Clubs

Here at The Horsell Village School we have an extensive range of after school clubs for your children to attend should they wish to. If you haven't had the chance to do so yet, head over to the school website, under the parent section to find out more.

<https://www.horsell-village.surrey.sch.uk/parents/clubs/>

Please note that Reception children are not offered the option to join clubs for the first half of the Autumn term whilst they are settling in.

	Monday	Tuesday	Wednesday	Thursday	Friday
Before School		Wake & Stretch			
Lunch		Chess Spanish	French Yr 1	French Yr 2 Gym	
After School	Genie Lab Lego Legends Street Dance Art	Football	Singing Stars Sporty Kidz Art	Coding Theatre Cooking	Sporty Kidz

Reading Parent Workshop

Throughout the year we run a number of different workshops focusing on specific areas of the curriculum. This term we will be running workshops on how we teach Reading and Maths.

Each workshop is designed to give you an overview of the teaching approaches we take here at The Horsell Village School and to provide you with strategies on how to support at home.

Again please do not worry if you cannot physically attend these meetings as they will also be shared via email and on our school curriculum website pages.

Each workshop will be held in the school hall at 9.00am.

Reading Workshops

- KS1 (Year 1 & Year 2) Wednesday 25th September
- EYFS (Year R) Tuesday 1st October

School Uniform

The children look incredibly smart in their school uniforms.

In order to make sure they come home with what they can to school with, please make sure everything is clearly labelled- this includes sun hats, caps worn during the warmer weather and bobble hats and gloves worn in the colder weather.

During this week's induction meetings we will share information regarding PE days for each class, however please make sure PE kits are in school everyday incase timetabling changes. (normally due to the weather)

We will send PE kits home each half term.

On Saturday 14th September the Horsell PTA is running the first 'Uniform Sale' of the year.

The sale of second hand uniform will run from 10.00 am to 12 noon and will be in The Horsell Village School carpark.

This is a uniform sale for both the village and Junior School.

Jewellery

We ask that no jewellery is worn at school, this includes earrings. If your child has recently had their ears pierced, during the 6 week healing time, we ask that you cover their earrings with tape every day.

Children in Year 2 may wear an analogue watch to support the Year 2 Maths curriculum of being to tell the analogue time.

Start of term reminders

Birthday Celebrations

We celebrate each child's birthday at school. We would like to remind you that we do not give out birthday sweets.

Please save these treats for home.

Hair- The long and short

We encourage children to be as active as possible, therefore we ask that hair is tied back everyday.

A good guide is if it is long enough to be tied back then it should be.

Please keep hair accessories as plain and simple as possible and in the school colour of green.

Keeping Healthy

We ask that your child brings to a fruit snack to school everyday. It should be fresh fruit or a vegetable. We provide your child with an additional snack in the afternoons.

Whilst at school it is also important for your children to keep hydrated. Please send them to school everyday with a named water bottle.

Communications

Should you need to pass a message onto the class teachers in the morning, please email or ring the school office. We can assure you that the message will get to them. I am sure you can appreciate drop off is a very busy time and the class teachers have a lot to remember as well as settling the children into school. Of course we appreciate that this may not always be possible, but please refer to email or a phone call in the first instance.

Thank you for your support in this matter.

Drop off and pick up

To make drop off and pick up run smoothly, please can we request that you:

- Arrive between the allocated time. The school gates open at **8.35 am** in the mornings and will close at **8.50 am**. Learning starts as soon as they children are in.
- Please do not use your mobile phone on site, during drop off and pick up. We have a duty of care to safeguard all children.
- If you are running late (we know things happen) - please ring the school office to keep us informed- this helps us to prepare your child / children- especially at the end of a school day.
- If someone different is picking up, please inform the school office before 2.30 pm. Messages received after 3.00pm do not allow the office staff sufficient time to get to the classrooms.
- Please be considerate of our neighbours when parking.

Finally, could we ask that once you have dropped off or picked up your child that you do not congregate on the drive into the car park. It gets very busy during these times and this area can become especially congested for other members of the public.

Thank you for your support.

What's happening in Reception...

We are so proud of all the children and the way they have started to settle into school and the routines in each class. This is the beginning of their school journey and we are pleased to be doing this together. Thank you to all the parents for your support and helping the children feel prepared for 'big school'.

We have been busy learning about school expectations as we find our way around the classroom. We look forward to sharing the rest of the school building and playground with the children as they begin to stay for lunch and then full days. We are also getting to know the different members of our class, discovering interesting facts about our new friends and sharing information about our own lives, as well as what we like and dislike.

The first full day of school on Thursday 12th September. Our first topic is 'Anyone can be a Hero'. During this topic we will be exploring and finding out about all the adults that work at school. We will be talking about the many different jobs people have and what we might like to do when we are older. We will also be thinking about ourselves as learners and what this looks like. Here at school we use the "Characteristics of an Effective learner" zoo to help us.

We teach through key texts, exploring a range of vocabulary. Above are pictures of the key texts we will be using this half term.

The Reception Team are eager to begin this learning with your children and are pleased to have started this journey with you and the children.

Key texts to this half term

Phonics

Here at The Horsell Village School we use 'Bug Club' to teach our phonics program. Each lesson is split into 4 sections, - identifying sounds, blending, reading and writing.

We will be starting our phonics lessons this soon and then sending out reading books at the end of next week.

The first set of sounds we will explore are:
s a t i p n

Our learning zoo.

What's happening in Year 1...

A warm welcome to everyone who has joined Year 1, this year. The children have had a wonderful start to the term and have settled into the new routines of KS1. This week, we are launching our new topic, 'Destination Outer Space'. The children will be introduced to a new text and will be practising writing simple sentences about the character and story, exploring different adjectives to use in their sentences. This half term, we are mastering being able to say the sentence we want to write, using finger spaces between each word and reading back what we have written.

In Maths, the children will be reading and writing numbers. They will be recognising 1 more and 1 less than a given number, counting on from a number and comparing numbers.

In history, the children will be learning about significant people and events to do with space. In Art, we will be exploring the colour wheel and learning about colour mixing. We will use our paint skills to create space art inspired by Joe Van Wetering in the coming weeks.

In Science, we will be exploring materials and their properties and describing what materials different objects are made from.

Phonics

To begin the year, the children are revisiting the sounds they have not yet mastered. All phonics sounds are in the centre of the reading record for you to practise with your child at home.

Spelling

There is a list of High Frequency Words and Common Exception Words in the centre of the Reading Record for your child to practise at home. Your child needs to be able to spell these words by the end of the year.

What's happening in Year 2...

Welcome back everyone! We are very excited to be sharing the start of another learning journey with our brand new Year Two's. We have a fantastic year ahead of us.

We will begin by getting to know our class owls in detail. Looking at what their key features are, how they live and the food chain that they are part of. To help inspire us, we will be using the books, 'Owl Babies' and 'The Owl Who Was Afraid of the Dark'. We will be learning all about nouns and adjectives and creating owl information posters.

We will then be moving on to learning all about 'Master Makers'.

In Maths, we will be learning about place value, counting objects to one hundred by counting in groups of tens and ordering objects and numbers.

In Science and DT, we will be exploring and learning all about materials and their properties; investigating their strength and flexibility and investigating the ways that they can be joined together.

In History, we will be discovering who Isambard Kingdom Brunel was and why he is significant.

Towards the end of the month we will be out and about in our locality on a sculpture walk. We will be learning all about the different sculptures that we see, discussing the materials they are made from and how we know and creating maps to inform others as to how to find them.

Phonics

The children will be working through the Phases in their Phonics groups:

Phase 3/4

Phase 5

Tricky Words

These are in the centre of the Reading Record for your child to practise at home.
