**Amazing Animals!**

Dear Parents,

After the half term we are excited to be starting our new topic 'Amazing Animals'.

We are fortunate to be able to launch this topic with a presentation from Simon Airey and his Reptile Roadshow on Thursday 28<sup>th</sup> February. He will be visiting our school for the morning with a variety of exotic animals, reptiles and mini-beasts. This is an exciting learning opportunity, providing a very hands on experience for the children.

To meet the cost of the workshop we are asking for a contribution of £5.50 per child. Payments should be made online using the following link: <https://www.scopay.com/login.html>. We would appreciate if all payments could be made by Friday 15<sup>th</sup> February.

Yours sincerely,

Rachel Wright
