25th June 2020

Dear Parents / Carers

Update on Nursery Consultation at The Horsell Village School

As you were aware we began a consultation process into the possibility of opening a term time nursery here at The Horsell Village School; we were fortunate in receiving many responses from Parents, other nursery providers and the wider community, and would like to thank you if you contributed to this process.

As a result of a number of factors, our Governors have decided to delay the opening of a Nursery, at least for the next academic year, when they will revisit the possibility again. We appreciate that this may be disappointing for some families, but we are looking into other uses for the building over the coming year, and will share these plans with you as soon as they have been finalised.

Kind regards

Jane Reeve
Headteacher
