

The Vision for our School

- That our children will be happy, secure and confident individuals that ask questions, challenge thinking and are motivated to learn. We will see active and engaged learners, experiencing a first-class education with a high achievement culture. Having **Enquiry and Investigation** and **The Arts** at the heart of the curriculum, we ensure that the children have constant opportunities to investigate and apply their knowledge, take risks and responding positively to challenge.
- Quality teaching and provision will ensure that all children are inspired, engaged and motivated through purposeful learning and equipped with the skills to continue as life-long learners.
- We have a 'can do' philosophy with adults and children, the cup is always half full not half empty. As adults we model this through everything we do, what we say and the way we act.
