

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your students now and why? Use the space below to reflect on previous spend, identify current need and priorities for the future.

Key indicator 1: The engagement of all pupils in regular physical activity  
 Key indicator 2: The profile of PE and sport being raised across the school as a tool for whole school improvement.  
 Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport  
 Key indicator 4: Broader experience of a range of sports and activities offered to all pupils  
 Key indicator 5: Increased participation in competitive sport

Our Policy

The aim of the school is for all children to be successful learners. We intend to eliminate all barriers to learning. In order to do this, we ensure that teaching and learning opportunities meet the needs of all the pupils and that appropriate provision is made to those who belong to vulnerable groups, including those who are socially disadvantaged.

The Sports Premium is used to make additional and sustainable improvements to the quality of physical education (PE), physical activity and sports we offer.

This will be achieved by developing the PE, physical activity and sport activities that we already offer and by building capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years.

Key achievements to date:

Upskilled staff and developed staff confidence in delivering PE  
 1-star KS1 star mark  
 Inter schools' competitions  
 Learning outside the classroom training  
 Encouraged less active children to get involved in physical activity  
 Links with outside groups and companies promote different sports  
 Develop new PE scheme of work – Real PE  
 Greater awareness of the importance of physical activity for well-being as well as fitness.  
 Sports Clubs free for PP children

Areas for further improvement and baseline evidence of need:

Increase intra year group competition  
 Continue to develop links with schools in the area and the SWAN trust for competitions.  
 Continue to develop outdoor learning and Forest School  
 Develop a swimming program for year 2 pupils.  
 Train playground leaders to help out at playtimes and lunchtimes.  
 Provide further enrichment opportunities for the children to enjoy hands on experiences to motivate them to get active.
