

## RE

We will be asking and answering the questions:

What is important to Muslim Families?  
and  
Why is Easter important to Christians?

## DT

As designers we will be thinking about, What are puppets and how are they made?  
We will use cutting and joining techniques, to create our own dragon sock puppets.

## Computing

We will be learning how to search for information effectively and safely.

## Music

As musicians, we will be listening to and appraising the music of Grieg (The Hall of the Mountain King), Stravinsky (The Firebird), and John Williams (Narnia).  
We will be learning about dynamic levels ( louder and quieter), pitch levels (higher and lower) and tempo (faster and slower).

## PE

As dancers, we will be learning how to use equipment appropriately and how to move and land safely. We will be talking about why exercise is important for good health.

We will also continue to develop our ability to work as a team.

core  
real PE

## The Magic Library

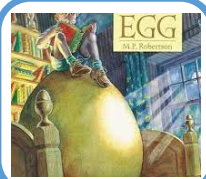

## History and Geography

As geographers we will be learning about maps and how keys can be used to help identify key features that we see. We will be using our knowledge to help create magical maps of our own.  
As historians we will be exploring history through a variety of composers and a brief history of books. And creating timelines.

# Voices

## Science

As scientists we will be learning about how seeds and bulbs grow into mature plants. We will be making observations and describing what we see.  
In Science week we will be completing daily investigations to explore how we can working scientifically.

## Art

As artists, we will be learning about the artist Nazar Tuvakov and using his work to inspire art of our own. We will be creating own imaginary landscapes inspired by music and learning how to use chalk and pastels to create dragon eyes and scales . We will also be practising our sketching skills and drawing eggs, thinking about how we make something look 3D.

## Life Skills—PSHE

As members of our school community we will be continuing to develop our understanding of our kindness motto. We will be learning about responsibility, what it means and how we can show responsibility for ourselves, the world and others.  
We will also be learning about how to stay healthy including medicine safety.

## English

In phonics and spellings we will be embedding all the sounds taught across Reception and Year One and learning a range of strategies that can help us to spell high frequency and common exception words . In handwriting we will continue to develop our use of lead ins and lead outs and learning how to join letter patterns.

As readers and writers, we will be exploring different story settings and using the texts to help us to develop our comprehension skills. We will also use them to help us to plan and write stories of our own. Our texts will include: Finn MacCool, The Egg and The Magic Paintbrush. We will learn how to write instructions and will create instructions on how to look after a dragon, based on the book, Dragon Pet.

In Word Aware ,we will be learning new words including: magical, enchanting, perch, secluded, rumble, tendrils, mythical, fantasy, wealthy, compass, directions, gracious, roam, emerald, venomous, absorbed, fearsome and reflected.

## Maths

As mathematicians we will be learning how to solve and record problems related to multiplication and division. We will be learning about measuring and practicing the skills we need to measure length , height, mass, capacity and temperature.  
We will continue to practise counting in multiples of 2, 3, 5 and 10's and revising doubling and halving facts.
